Draw the flowchart and find out what is displayed on the screen for the given C code:

```c
// ...
j=1;
i=j;
while(j<7)
{
    j++;
    while (j<5)
    {
        printf("%d+%d\n", i, j);
        ++j;
    }
    printf("A");
}
// ...
```
